

2020 FALL GIVING CAMPAIGN

100% PARTICIPATION FOR \$100,000!

SHOW YOUR SUPPORT FOR ICS ATLANTA BY MAKING A DONATION TO THE ANNUAL FALL GIVING CAMPAIGN!

We need to raise \$100,000—about \$125 per student.

EVERY donation is important, so please give as you are able to help us fill the funding gap we experience as a state charter school. Here's how you can help:

Make a one-time donation OR sign up for monthly donations. Your total donation amount expected between September and June 2021 counted! Your small monthly gift can add up!
Just \$20 a month means \$160 for ICS Atlanta!

Your company's matching gift can help us reach our \$100,000 goal! Check if your company will match your donation. (Matching donations count for participation but not towards donation incentives.) Please email giving@icsatlanta.org if your company participates.

EVERY Grade Level with 90% participation of donations of \$20 or more will join the 100% CLUB and receive a Part of the Pack party!

ALL Grade Levels will receive participation credit when you donate at least \$20 per student!

Earn Giving Incentives during the Fall Giving Campaign (Sept. 21st through December 1st)!
