

## Right to Know Notification

August 6, 2021

Dear ICSSAtlanta Parents and Guardians:

At International Charter School of Atlanta, we are very proud of our teachers and feel they are ready for the coming school year and are prepared to give your child a high-quality education. The purpose of this letter is to inform parents that ICSSAtlanta is required to meet federal regulations under the Every Student Succeeds Act.

In compliance with the requirements of the Every Student Succeeds Act, you have the right to request the following information:

- Whether your student's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction
- Whether your student's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
- Whether your student's teacher is teaching in the field of discipline of the certification of the teacher.
- Whether your child is provided services by paraprofessionals, and if so, their qualifications.

Please rest assured that our staff is committed to helping your child reach his or her maximum academic potential throughout their school career. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled and delivering quality instruction to your child.

If you wish to request information concerning your child's teachers' qualifications, please contact me by phone or email. Thank you for your interest and involvement in your child's education.

Sincerely,

A handwritten signature in black ink that reads "Tanya Parker". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
