For 4th grade students only, we will allow a walk-in option to pick up your child. You will fill out a form to let us know that you will come in to pick up your child. You or your designated pick up person will be able to park and pick up your child between 2:55 PM and 3:00 PM at door #2 (Cafeteria doors). Your child will receive a carpool number and you will receive a carpool tag. You will have to present the tag in order for your child to be released to you/your designated pick up person. If you do not have your carpool tag, you will be asked to go to the front desk and present an ID in order to pick up your child. Please make sure if you have a designated pick up person, that that person is listed in our system as a person that may pick up your child. If you are late, you can pick up your child at the front desk and above-mentioned fees will apply.
