

ICSAtlanta will be changing our uniform requirements, officially beginning in the 2021-2022 school year.

Beginning in the 2021-2022 school year, khaki pants, shorts, and scooters will no longer be allowed as part of ICSAtlanta's school uniform. The only color option for pants, shorts, and jumpers will be navy. The only color options for scooters will be navy and ICSAtlanta plaid.

Uniform Policy

ICSAtlanta follows a strict uniform policy, and all students are expected to adhere to this policy. See the *International Charter School of Atlanta Uniform Guidelines for all Students* for specific information about ICSAtlanta uniforms.

STATEMENT ON COMPLIANCE

The ICSAtlanta Uniform Policy is not subject to negotiation, and decisions by administration are final and may not be appealed. Compliance with this policy is an expectation, and consequences for uniform violations are outlined in the Parent & Student Handbook.

Questions about this policy should be directed by email to info@icsatlanta.org.

ICSAtlanta Logo

Only approved vendors are allowed to embroider the ICSAtlanta logo on apparel. Uniform providers may offer polo shirts and outerwear with the ICSAtlanta logo embroidered on them. Other vendors are only allowed to embroider the ICSAtlanta on polo shirts purchased elsewhere by parents. The logo may not be embroidered on outerwear purchased elsewhere or on bags, lunchboxes, backpacks, hats, t-shirts, shoes, etc.

GENERAL REQUIREMENTS

Students are expected to wear a polo shirt with the ICSAtlanta logo embroidered on it and pants, shorts, scooter, or jumper.

- With the exception of plaid, all colors are solid (single-colored).
- All polo shirts and indoor outerwear must display the ICSAtlanta logo. With the exception of the school's logo, all items worn must be free of other logos or wording (i.e. brand name).
- At all times, boys must wear belts with shirts tucked in.
- Uniforms must be kept clean and tidy (i.e. no tears or holes or large stains).

Dress Uniform Guidelines

When students are representing ICSAtlanta in the community and/or for special events, they may be required to follow the Dress Uniform Guidelines as listed below.

- Short-sleeved polo shirt only (Lower Campus: light blue, Upper Campus: royal blue)
- Navy blue pants, scooter, or jumper (no shorts or plaid or khaki bottoms)
- Navy blue or black, closed-toe, flat, dress shoes (no sneakers, high tops, athletic shoes, high heels, etc.)
- Navy blue fleece jacket or cardigan with ICSAtlanta logo (approved outerwear only), if needed
- All clothing must be ironed and free of wrinkles or stains.

Out of Uniform Days

On occasion, students are allowed "out of uniform" days where they may choose to wear specified articles of clothing, in compliance with the Dress Code and Uniforms section of the Parent & Student Handbook, which can be found on the ICSAtlanta website and in the agenda. Advance notice of these out of uniform days are sent to parents.

Spirit Wear Days

Students may wear "spirit" shirts and outerwear on Fridays. All other uniform requirements are in effect. Spirit wear includes ICSAtlanta-branded t-shirts from approved vendors and ICSAtlanta-sponsored activities.

Accessories

There are no specific uniform requirements for accessories, jewelry, and hair accessories, but they should be conservative. See the Parent & Student Handbook for more details.

- Hats, crowns/tiaras, and bandannas are not allowed.

- Scarves are not allowed inside the school building. (Scarves worn for religious purposes are allowed.)
- Large jewelry and jewelry that is distracting or makes noises is not allowed.
- Gloves, “tattoo sleeves,” and other articles that cover the hands and arms (other than long-sleeved shirts or medical coverings when needed) are not allowed.
- Students should consider leaving valuable jewelry at home. ICSAtlanta is not responsible for loss or damage of personal articles. No “smart” watches are allowed at any time.

Start of the School Year

Please allow at least 6 weeks prior to the beginning of the school year for ordering uniforms and/or embroidery of the ICSAtlanta logo on polo shirts. Vendors are very busy over the summer. Students are expected to come to school on the first day in an ICSAtlanta uniform. However, administration *may* excuse uniform violations *at their discretion* at the beginning of the school year (or a student’s first week of initial enrollment). Since polo shirts and bottoms are widely available, it is an expectation that students wear clothing as closely aligned with the uniform policy as possible from their first day at ICSAtlanta.

UNIFORM VENDORS

ICSAtlanta highly recommends using the approved vendors for purchasing all uniform apparel. **All spirit wear, outerwear, jumpers, and scooters must be purchased from an approved vendor listed below.** Only approved vendors may embroider polo shirts purchased by the parent with the ICSAtlanta logo.

Other Vendors

- Polo shirts must be plain, without embellishment, and the colors should match those from approved ICSAtlanta vendors.
- Pants and shorts must be similar to those available from the ICSAtlanta approved vendors. The following are not acceptable: skinny pants, cropped pants, short shorts, shorts with frayed edges, yoga-type pants, athletic pants, sweat pants, cargo shorts or pants, corduroy pants, pants or shorts with embellishments like lace or designs, etc.
- Skirts are not allowed. ICSAtlanta permits scooters with attached shorts only, which must be purchased through an approved vendor.
- Jumpers must be purchased through an ICSAtlanta approved vendor. Please note that plaid and khaki jumpers are not allowed.
- Indoor outerwear must be purchased through an ICSAtlanta approved vendor. (Embroidery vendors will not embroider the logo on jackets, hoodies, etc.)
- To ensure uniformity in logo design, polo shirts purchased from a vendor other than an ICSAtlanta approved vendor must be embroidered at one of the locations below. Please allow 2-3 weeks and longer in the summer for embroidery services. No other vendor is authorized to embroider the ICSAtlanta logo, and the following vendors are only permitted to embroider the ICSAtlanta logo on plain, unembellished polo shirts.
