In response to questions received by bidders and an initial technical evaluation of proposals received thus far, ICSAtlanta is issuing this addendum to RFQ 2018-05.

- The due date for this RFQ has been extended to January 14, 2019, to allow adequate time to address all items requested by ICSAtlanta.
- All proposals received to this point will be evaluated, and ICSAtlanta may request additional information based on this Addendum. Preference will be given to proposals that address all points in this Addendum and the original RFQ.
- Bidders may submit proposals for all or part of the services requested.
- In addition, as a part of this project, ICSAtlanta is requesting quotes for a cover over the carpool waiting area at the Upper Campus.
