Grievance Policy and Procedures

PURPOSE

The purpose of the Grievance Policy and Procedures is to provide guidelines for parents, students, and the general public for filing complaints against ICSAtlanta, an employee, or Governing Board member of ICSAtlanta on any and all matters, including those related to federal programs such as Title I – Part A, Title II – Part A, Title IV – Part B, the McKinney-Vento Act, and any other related federal programs or regulations.

GRIEVANCE POLICY

Students, parents, and the general public have the right and responsibility to express school-related concerns and grievances to the faculty and administration. Students and parents shall be assured the opportunity for an orderly presentation and timely review of concerns, which will not interfere with regularly scheduled classes or school-related activities.

The Governing Board seeks to secure, at the lowest possible administrative level, equitable solutions to complaints that may arise. In all cases, ICSAtlanta encourages all parties to attempt to resolve disputes directly at the lowest level possible to promote civility and avoid misunderstandings. Grievances and informal complaints/concerns should be presented in a way and at a time that does not disrupt normal school operations (including school-related events).

The Governing Board shall have the discretion to elevate a grievance directly to Level III, as described below, if appropriate or necessary.

ICSAtlanta does not discourage reporting of grievances, and the information provided in this policy and related procedures will guide complainants through the process of filing a grievance. Details are also included in the Student Handbook. Employees should follow the policy and procedures set forth in the Employee Handbook for filing a grievance.

Retaliation against anyone filing a grievance or participating in an investigation of a grievance is expressly prohibited. Students who knowingly make false charges may be subject to disciplinary action.

DEFINITIONS

1. **Grievance**: A complaint from a parent or student which sets forth the allegation that there has been a violation of any policy, accepted practices, or state or federal law, which includes the following components:
   - Summary of the facts;
   - Identification of parties involved and witnesses;
   - Specific identification of the policy, practice, or statute violated; and
   - Statement of requested relief.

2. **Grievant**: Any individual or group of individuals aggrieved by a decision or condition falling under policy, accepted practices, or state or federal law.
GRIEVANCE PROCEDURES

Level I
ICSAtlanta encourages open communication and cooperation. For that reason, students, parents/guardians, and the general public should address concerns directly with the ICSAtlanta staff member(s) suspected of a violation through an informal conversation or email message. Such informal complaints must be submitted within 10 (ten) business days of the event/incident of concern.

The ICSAtlanta staff member shall reply to the grievant and initiate action to resolve the issue within five (5) business days of presentation of the informal complaint.

Examples of appropriate Level I complaint procedures:

- A parent contacts his/her child’s teacher with concerns about the teacher, another student in the class, the child’s conflicts with another child, or needs for the child.
- A parent contacts a member of ICSAtlanta administration or staff about concerns or questions about school administration, student resources, or school operations.

Level II
If after the grievant has acted in good faith to resolve concerns with the involved ICSAtlanta staff directly and the grievant believes that the issue has not been satisfactorily, the grievant may then initiate a Level II grievance.

1. The grievance must be submitted in writing (or by email) to the Executive Director within ten (10) business days of the decision from the informal complaint has been rendered. If an individual has a complaint involving the Executive Director, the complaint may be addressed directly to the Governing Board Chair, at Board@ICSAtlanta.org.
2. The Executive Director, or her designee, will review the complaint and may request additional information, as needed, at her/his discretion within fifteen (15) business days of receiving the grievance.
3. The Executive Director will issue a written response to the complainant within five (5) business days of the completion of the investigation. The written response will include the Executive Director’s findings and recommendations for resolution of the grievance. If no written report is issued within the time limits set forth (a total of 20 days from time written grievance is filed), or if the grievant rejects the recommendations of the Executive Director, the grievant shall have the right to appeal to the Governing Board for review of the grievance.

If the grievance involves the Executive Director, the Governing Board will review the complaint and may request additional information, as needed, at their discretion. The procedures above shall be followed.

Level III
The grievant may appeal the decision of the Executive Director by submitting a request in writing to the Governing Board. The procedures below shall be followed.

1. The grievant must submit a written request for review of the grievance by the Governing Board within ten (10) business days of receiving the decision from the Executive Director or expiration of the time limits set forth in Level II. Requests for review may be emailed to
Board@ICSAtlanta.org. The request must include the nature of the grievance and the requested outcome.

2. The Governing Board shall review the grievance and the report of the investigation, applying the clear/convincing evidence standard. At their discretion, a hearing may be conducted. If a hearing is held, the grievant may be accompanied by a representative of the grievant’s choice. If the grievant chooses to bring legal counsel, the grievant must notify the Governing Board Chair at least 48 hours in advance of the hearing. In such cases, the Governing Board may choose to have legal counsel present to represent ICSAtlanta.

3. The Governing Board may affirm the Executive Director’s recommendations/resolution, amend the Executive Director’s recommendations/resolution, or affirm the recommendations in part and amend in part. The Governing Board shall provide a written decision within 30 business days of the date of the grievant’s written appeal. If no written decision is issued within the time limit set forth or if the grievant shall reject the decision of the Board, the grievant shall be free to pursue such statutory or administrative remedies as the law may provide.

EXPECTATIONS FOR DECORUM IN PRESENTING A GRIEVANCE

Grievances shall be presented in a respectful manner, and in a way that does not interfere with the school day or school-related events. For example, grievances shall not be presented while a teacher is instructing a class or a staff member is working at a school-sponsored event. Communication by all parties MUST be respectful and in a reasonable, conversational tone at all times.

Presenters are cautioned that personally-directed statements may be slanderous or defaming, and the individual speaker is liable for his/her statements.

ICSAtlanta reserves the right to end any meeting (scheduled or un-scheduled) considered to be unproductive, threatening, hostile, inappropriate, or lacking appropriate representation.

TIMELINESS OF GRIEVANCES

Any complaint or grievance should be reported immediately after the event in concern. Investigations into alleged wrong-doing need to be completed as soon as possible. Investigations completed after an extended period of time are more difficult to investigate and may lose validity. Therefore, the Executive Director and/or Governing Board reserve the right to refuse response to any grievances submitted more than thirty (30) days after the incident, absent exigent circumstances.

If either party in a grievance wishes to change the timeline set forth in this policy, the party will request the modification(s) from the other party and both parties will be required to agree to the modification(s).

RESPONSES TO GRIEVANCES

The faculty and administration shall make an honest and forthright effort to resolve complaints or grievances as quickly as possible at the lowest level of authority.

Decisions rendered by the Governing Board shall be considered final.

The grievant may appeal the Governing Board's decision to the Georgia Department of Education at the following address:
