

ENRICHMENT PROGRAM AT ICSATLANTA ~ WINTER/SPRING 2020

Have your kids learn and improve their golf game in our Enrichment Program at an early age. You will marvel as your child develops their physical abilities and mental focus while having fun learning exciting new skills that boost their overall confidence.

We keep children involved and foster enjoyment of the game of golf in the following ways:

Fun

We provide an environment that is fun and exciting for the child.

Friends

Our group classes allow for our kids to enjoy themselves while having fun with other friends.

Fit In & Feel Good

Our Athletic Development Approach allows for children to experience successes in the activities they do in each session, therefore providing confidence and self-esteem.

To participate in activities they are good at:

Our Athletic Development Approach lays the building blocks for successes and therefore allows our students to experience confidence in the activities they do.
